Company presentation

We are a Spanish SME focused on ICT, Education, Culture and Art.

We are specialized in development of a **Life Long Learning eportfolio**, with **digital tools for collaborative creation**.

Our main products are the **Eportfolio Ecosystem** and **Portabily** Authoring Tool.

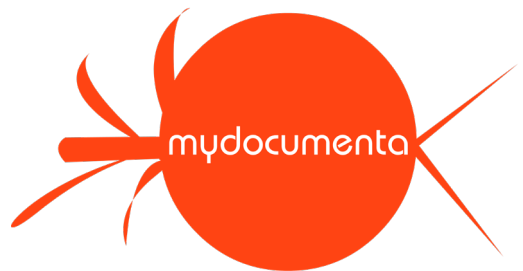

MyDocumenta has more than 150.000 users from Primary Schools to Universities, in EU and LATAM.

We dedicate an important part of our effort to R&D, using a bottom-up approach to involve users at all levels.
